So I will provide your desk phone numbers; however, do either of you want to provide me with a 24 hour number for CSB? We really should....tx

We will have Sam Tates as the primary contact and Steve Thompson as the alternate contact for RMP DuPont issues. You can forward these contacts to both TCEQ and CSB.

TCEQ would like to know who is the enforcement contact for the site?

Chemical Safety Board would like to know who is the RMP contact? Please let me know. Tx
